

# Enviro Care Hand Sanitizer I.S. Case of 12 Quarts (32 oz X 12)

Each Case includes 3+ trigger sprayers and 9 flip caps for dispensing

## Applications

- Education Environments
- Healthcare
- Building Services Contractors
- Food Handling
- First Responders

## Features

- Contains alcohol
- Contains a safe emollient
- Ready to use
- Prevents the spread of bacteria

## Benefits

- Fast evaporation rate
- Non-irritating
- Doesn't require potable water rinse after use
- Reduces skin dryness
- No mixing required

## Directions for Use

Use Enviro Care Hand Sanitizer I.S. in conjunction with standard hand washing procedures. Or as specified by management to reduce risk of cross contamination. After washing hands, spray entire surface of hands, including fingertips and cuticles. Rub hands vigorously-until dry. No rinse or toweling is required.
